“Since installing a Bull barbeque at home, I have discovered what US-style grilling is all about. One of the Bull slogans is ‘changing the way you barbeque’ - it makes grilling faster and easier. The Bull philosophy for grilling is to cook with your guests and not for them. Personally, my favorite activity is gathering with my friends and family, having a laugh and eating together. With work taking up so much time in my life, I treasure those gatherings immensely. Plus, I make a mean pork hock with crackling!”

Bull Europe President, Sandro Zammit
