^{IT} Nella collezione Orizon, l'innovativa finitura NaturAll ricrea la calda e avvolgente matericità del legno, pur mantenendo i pregi funzionali propri dell'alluminio. L'estetica del prodotto, che richiama quella dei tradizionali arredi da giardino in legno, si coniuga a leggerezza, praticità, resistenza al sole e alle intemperie: tutte doti che rendono l'alluminio così versatile. Sia le sedute che i tavoli Orizon sono altamente customizzabili e perciò adatti a soddisfare le svariate esigenze del contract.

^{EN} In the Orizon collection, the innovative "NaturAll" finish recreates warm, cosy wood, at the same time as maintaining the functional benefits of aluminium. This product's appearance brings to mind traditional, wooden garden furniture, at the same time as offering lightness, practicality and sun and weather resistance: all the qualities that make aluminium so versatile. Orizon tables and seats are highly customisable and are therefore able to fulfil even the most varied needs of the contract sector.
